

CSE ELECTIONS APP 2017

Android Application for
the election process.

By Arun

· Informs users about the number of votes they have:

HOD's vote is valued equivalent to 10 regular votes. The roll number 1 is reserved for the HOD.

The remaining roll numbers 2 to 50 are reserved for the teachers each bearing a value of 2 regular votes.

The remaining are student votes.

The screenshot shows a mobile application interface for a 'Cse Election 2017'. At the top, there is a status bar with icons for social media, signal, and battery, and a time display of 10:08. Below the status bar is a header with the text 'Cse Election 2017' and a menu icon. The main content area is divided into sections. The first section is labeled 'Register Number:' and contains a text input field. The second section is labeled 'President' and contains two candidate options: 'Arvind G' and 'Yogesh R', each with a profile picture and a radio button. The third section is labeled 'Vice President' and contains two candidate options, each with a profile picture. At the bottom of the screen, there is a dark bar with the text 'Successfully Registered!'.

Requests the user's register number and contains a validation step to check if the user had already voted. If the user hadn't already voted, the vote placed counts.
